Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
M A D I S O N, Wis.

Dear Dr. Lederberg,

In connection with some experiments necessitating an unequivocal identification of minute amounts of serine, I would be grateful to you if you would be so kind as to send me by airmail a culture of your E.coli K_{12} strain S serineless mutant.

Thanking you in advance,

Yours sincerely,

Sara Sarid
